Dear Larry,

This letter is to verify that Vermont Soapworks' organic certification is current and in good standing with Vermont Organic Farmers, LLC and the USDA National Organic Program. Vermont Soapworks is currently in the process of renewing their annual certification and will be issued an updated certificate after their upcoming inspection. Please note that the renewal date on the certificate is not an expiration date. If you have any additional questions, please feel free to contact our office at 802-434-3821.

Sincerely,

Laura Nunziata
